L&B Newsletter No 14

Dear Member ,

Just a reminder that our next Group meeting is next Saturday , July 14th , when Peter Miles , our Railway Chairman , will be present , giving us an up-to-date picture of the progress made to date with the Public Consultations - and anything else he wants to tell us !

My wife and I have just returned from a few days at Moorlands . The weather (to say the least) was variable but the railway was excellent - and the food at Woody Bay station even better !!

The two exhibitions we have attended produced £ 250 between them . The Corby one was organised by L&B member Kevin Emsley and , in a new location , was very well attended on one of those sunny days we have had occasionally . Steventon manned up by John & Jane Brant and Alistair Steele and I was also at a new venue and their advertising brought in some very good numbers and there were many conversations with 'customers ' , raising many memories about railway matters . All in all , 2 very good shows , which we shall repeat .

So - hope to see you next Saturday at the Loyd Lindsay Rooms , Ardington , Wantage !
Ask me if you want directions .

Regards ,

Chris Ward
